1. CV (Latest & highlight your experience in welding)
2. Application Form Duly Filled with Photograph. Please ensure your name in BLOCK LETTERS are correctly spelled and contain Postal Address, E Mail address and Mobile/Tel No.
3. Registration Form Duly Filled
4. Copies of all relevant qualification Certificates (Self attested)
5. Experience Testimonials in chronological order covering the period from date of qualification to the cut-off date 03-01-2011 and up-to to current date duly supported by some proof from employers.

Contact details of ANB India Office

Attn Mr Tapan K Dutta

The Indian Institute of Welding-ANB

IIW-India House, Plot No: 38-Geetanjali Park,
200 Kalikapur Main Road, P.O. Mukundapur,
Kolkata 700 099, INDIA

Tel: +91 33 4006 1837, Mob: +919874771446, E Mail: anb@iiwindia.com

Please send a mail to anb@iiwindia.com confirming despatch of the hard copies of application with documents. Candidate is to ensure that ALL the listed documents below are sent together at a time to reach 2 weeks before the course start date for processing including verification of eligibility

Once candidates' Application along with all documents are fully scrutinised and approved by our Assessment committee(subject to his paying the prescribed fees), he is then required to undergo a four day refresher course followed by an objective type written test and interview on the fifth day of the course. Candidate has to bring some photo identity proof and the Original final qualification certificate for verification at the time of joining the course.

Fees can be paid by DD/Cheque payable in favour of 'The Indian Institute of Welding-ANB' at par at Kolkata or by direct Bank transfer for which specific advice will be given.

FEES APPLICABLE FROM 2018

For Fees for IWCP Transition Refresher Course (IWE, IWT, IWS & IWP) please view the link:

<http://www.iiwindia.com/courses-calendar.php>

GST Presently @18% (Our GST ID: 19AAATT5926E1ZC) will be charged extra in all cases over and above the Fees or the prescribed Tax as applicable under law. These rates may be revised from time to time and the candidates are requested to verify before making any payment

- All fees including applicable GST are to be paid in advance
- Fees are inclusive of Charges for issuing IIW Diploma Certificates to successful candidates
- GST registered sponsors should mention the GST number at the time of Application & registration
- Payments can be made by direct Bank Transfer for which details will be provided or by DD or Cheque payable at par at Kolkata in favour of 'The Indian Institute of Welding – ANB'

COURSE CALENDAR AND VENUE

- The course dates (4 days course followed by 1 day written test and interview) are notified in our Website <http://www.iiwindia.com/courses-calendar.php>, from time to time at different locations in India.
- This depends to some extent on the number of approved eligible candidates or pending applications for Transition Route for IWE/IWT/IWS. It is always advisable for the candidates to get registered early.
- A candidate having approval of eligibility and making the necessary payment can appear by prior arrangement at any notified venue convenient to him.
- In house courses for eligible candidates can also be organised when adequate number (About 15) of suitable candidates are sponsored by an organisation with infrastructural facilities at a convenient location are provided to IIW-India ANB on agreed terms.

ANB – INDIA REFRESHER COURSE CONTENT (IWCP)

- Module 1 – Metals - Structure & Weldability**
- Module 2 – Structure Properties, Heat Treatment and Testing of Weld Joints**
- Module 3 – Steel Making & Welding of Alloy Steels**
- Module 4 – Welding of Stainless Steel**
- Module 5 – Welding of Non Ferrous Metals and Alloys**
- Module 6 – Gas Welding, Brazing, Soldering and Cutting**
- Module 7 – MMAW & SAW Process & Practice**
- Module 8 – Gas Metal Arc Welding & Flux Cored Arc Welding Process**
- Module 9 – Gas Tungsten Arc & Plasma Arc Process**
- Module 10 – Resistance Welding & Friction Stir Welding**
- Module 11 – Introduction to Wear & Surfacing**
- Module 12 – Construction & Design**
- Module 13 – Welding Stresses, Distortion and Repair Welding**
- Module 14 – Welding Arc & Power Sources**
- Module 15 – NDT Techniques**
- Module 16 – Quality Assurance of Welded Structures**
