## **NOTICE**

Notice is hereby given to all the AMIIW candidates on the following:

### Modality of conducting AMIIW Examination

- Winter Session 2022 Theory Paper AMIIW Examination will be conducted in Two Parts, one will be Written Part with 80 Marks and the other will be Viva Voce with 20 Marks and both examinations will be conducted through online mode.
- It will be necessary to obtain 40% marks in each part of each theory paper to qualify in the examination.
- If any candidate is unable to get 40% marks in viva voce, he will be given another chance to re-appear for the Viva second time on that particular subject by paying Viva Voce Re-examination Fee of Rs. 200.00.
- If the candidate will be able to achieve the pass mark in written examination but will not be able to secure Pass Mark in 2<sup>nd</sup> Viva Voce, he or she has to re-appear in the next time for both the written and Viva Examination.

### Regarding Study Materials

- All the interested candidates are requested to send email request for Study Materials as per their requirement since the Welding Education Committee (WEC) has decided to develop study materials especially for the subjects against which very little source of learning resource or book is available. However, the request shall reach WEC at the earliest and the same will be on chargeable basis.
- It was also decided to conduct different Webinars on any special / general topic for sizable amount of students with a reasonable fee.
- The matter depends upon the requirements from the candidates, their numbers and corresponding to a realistic budget.

### Conducting Laboratory / Project Paper

- Laboratory paper consisting of 10 Experiments will be conducted by some institutes / organizations at four different zones.
- A panel of experts from IIW-India will be made available to guide eligible students for preparing their Project work, if opted for, which will be on chargeable basis.

Interested candidates may contact Examination Section for further details.

By order
