- **Eligibility Criteria:**
 1. The minimum qualifications for the candidates for the ‘National Best Welding Engineer’s test are:
 - a) Graduate Engineers with minimum 2 years’ experience preferably in welding technology, OR
 - b) Diploma with minimum 5 years’ experience in welding technology, OR
 - c) Science Graduate with minimum 10 years’ experience in welding and its allied subjects.
 2. Must be capable of reading engineering drawing / blueprints.
 3. Must have basic knowledge of the art of joining of different materials.
 4. Must have knowledge in Inspection, QA & QC, costing, and safety in welding Technology.
- **Online Screening Test Duration: 4th to 10th October 2021 (both days inclusive)**

The purpose of Online screening is to provide ease / convenience for the candidates to appear for the examination.

 - Every user needs to specify Username / email id, which will be used for further communication
 - Ensure that your device / PC has uninterrupted internet connection
 - Login to www.iwindia.in , click on “Register”, and select for “Best Welding Engineers’ Competition”
 - Fill the registration form carefully with all details and ‘submit’. You will receive your login password on your registered email id.
 - Click on “Login for Online Exam” and key in your ‘username’ and ‘password’ once your ID is activated by the Administrator (you will receive email for ID Activation)
 - Duration of the test is Thirty (30) minutes.
 - Test consists of Multiple-choice questions (There is no negative marking for wrong answers)
 - Read the instructions carefully before clicking on “Start Exam”. Click “Next” after every selection
 - Once you click on “Start Exam”, a timer will get activated.
 - To answer a question, click on the appropriate option from four options provided for each question
 - Select an answer from the choice provided and click on “Next” for the next question
 - After answering all the questions, click on “Submit”. This will end the on-line examination
 - You will get Confirmation email for completion of screening test
 - Top 10 scorers shall be called for the Final Online examination (Video camera mandatory) followed by an interview for the qualified candidates. Communication will be made via email id provided by you.
 - One user can opt for screening exam only once. If it is observed that a candidate has appeared twice, IIW-India reserves the right to cancel his registration and to prevent the candidate from appearing for the written test even if he is one of the top 10 scorers
 - During the test, if you are disconnected from the Internet due to any unavoidable reasons, or if the Test is terminated before you click on “Submit” button, you need to send an email to service@aaryans.org for re-activating your password to complete exam
