## ABOUT THE INDIAN INSTITUTE OF WELDING

The Indian Institute of Welding (IIW-India) was incorporated on the 22nd April, 1966 at Kolkata to foster the development of welding science, technology and engineering in India and since then has been serving the cause of the welding industry through its 13 branches throughout India. Through its various activities and programmes, IIW-India is now recognised as the premier Institute related to welding in the country with over 4000 Individual and Corporate Members. As a member society of the International Institute of Welding, it is helping to project the importance and achievements of the Indian Welding Industry to the global community. The institute completed 55 glorious years on 22nd April 2021. The National Welding Seminar 2021 is a key event to mark this milestone

## ABOUT IIW PUNE BRANCH

The IIW Pune branch is one of the most active branch of the institute with 180 members, 12 corporate members. The branch covers Ahmednagar, Aurangabad, Sangli, Miraj, Satara, Karad, Kolhapur, Ichalkaranji, Solapur, Baramati, Lonavala & Pune.

## ABOUT NATIONAL WELDING SEMINAR

Welding, a scientific art is the backbone of today's industry. It is treated as a special process across diverse sectors ranging from manufacturing to construction and defence to power. The National Welding Seminar aims to bring them together on one platform. By attending the seminar professionals from various industries will get an opportunity to keep themselves abreast with the latest advancements and trends in welding with NextGen technologies. In coming February sees Pune hosting the National Welding Seminar for the first time. This also gives a great opportunity for professionals to attend this knowledge rich event.

## ABOUT SYMBIOSIS SKILLS AND PROFESSIONAL UNIVERSITY

Symbiosis Skills and Professional University (SSPU) is the first skill-building and development university in the state of Maharashtra. The campus at Kiwale, near Pune, has School of Automobile Engineering, School of Construction Engineering and Infrastructure Management, School of Mechatronics Engineering, School of Data Science, School of Architecture, Urban Development and Planning, School of Ports, Terminal Management and Logistics, School of Retail Management, School of Beauty and Wellness, School of Data Science and School of Interdisciplinary Science. The main objective of SSPU is to create industry-ready youth, who can work efficiently and effectively in an organization.

## THEME OF THE SEMINAR

### "Welding with Next Generation Technologies"

The government's 'Digital India' initiative has attracted Next Generation Technologies from worldwide to the country with a specific focus on manufacturing. Through this initiative the government hopes to increase contribution of the manufacturing sector appreciably to countries GDP. Welding professionals and welding technology at large is perfectly poised to benefit from this opportunity. The National Welding Seminar 2021 hopes to make a significant contribution in this endeavour

## SALIENT FEATURES OF THE PROGRAM

### Following events will happen

- Visionary sessions by eminent speakers
- Knowledge sharing through paper presentations
- Technology demonstration sessions
- Panel discussions on Industry Trends
- Exhibition

## HOW CAN YOU BE A PART OF NATIONAL WELDING SEMINAR 2021?

### TECHNICAL PAPERS

You may submit technical papers in the areas of -

Welding Processes, Equipment & Automation
Quality Assurance and Testing (NDT) in Welding
Presentation on Latest Technologies in Welding
Training and Education in Welding

### Important Deadlines

Submission of Abstract of the Paper	25-Dec-2021
Submission of Full Text of the Paper	15-Jan-2022

**Note:** Good quality papers presented in NWS 2021 would be published in 'Indian Welding Journal'

### DELEGATES

We cordially request your whole hearted support to this fantastic knowledge sharing event by registering as a Delegate. Your support will make this meet a resounding success.

### Cost of Registration

Non IIW Delegates	IIW Members	Engineering Students
Rs. 6,000 /-	Rs. 4,500 /-	Rs. 2,500 /-
Plus 18 % GST	Plus 18 % GST	All Taxes Inclusive

## WELD INDIA EXPO 2021

Total 40 stalls, where you can display and distribute your product information and brochures related to welding.

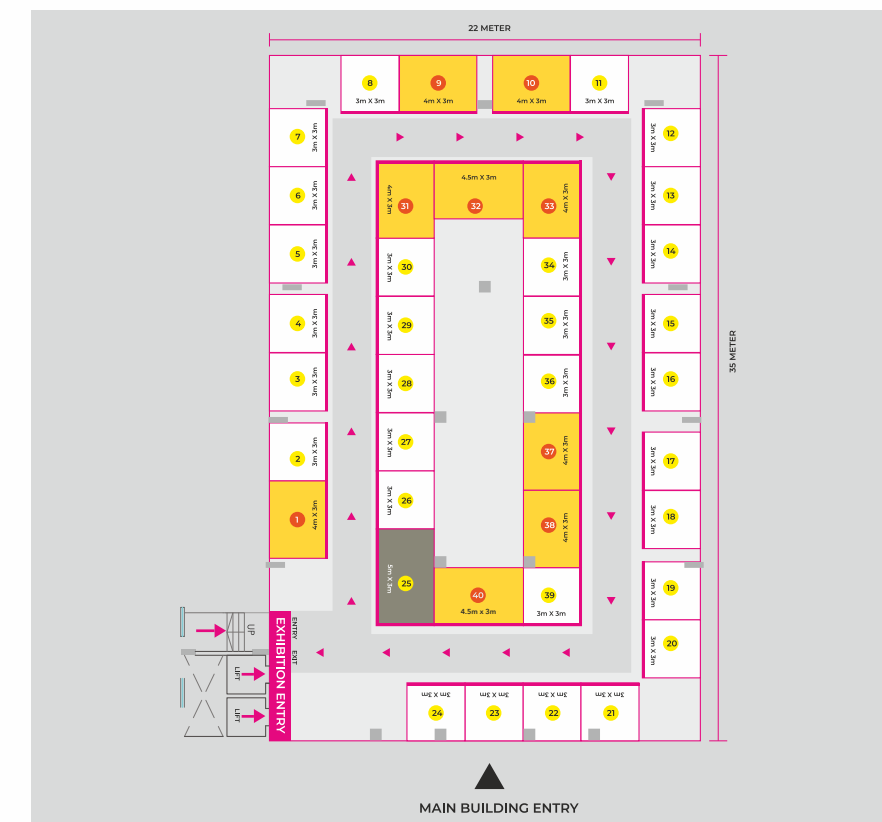

### Cost of Stall

3M x 3M	₹ 40,000/- Plus 18% GST
4M x 3M	₹ 50,000/- Plus 18% GST
4.5M x 3M	₹ 55,000/- Plus 18% GST
5M x 3M	₹ 75,000/- Plus 18% GST

### Each stall will be provided with

1 No. Display Table 2ft X 4ft
2 Nos. Chairs
1No. 5A Plug Point
3 Nos. Spotlights

3 Phase power can be arranged at extra cost

## PUNE THE CITY

Once known as a pensioners' paradise, Pune is today a bustling and vibrant metropolis. Considered a bastion of Marathi culture and the capital of the Peshwa dynasty, the city is now home to people from all walks of life, from not only across India, but also across the world. On the trade and commerce front, Pune has emerged as a major IT hub in the country with dedicated IT parks at Hinjewadi, Magarpatta, Talawade to name a few. While IT has been a relatively new entrant, Pune has always had a strong identity as an automobile hub as companies like Tata Motors, Bajaj Auto, Mercedes Benz, Mahindra & Mahindra, Volkswagen already have a strong presence in the city. Pune also hosts a number of defense establishments such as DRDO, ARDE, HEMRL among others. Owing to the pleasant weather around the year, the city is also a reputed academic destination attracting students from all over the globe. Pune is very well connected with the rest of the country by rail, road & air.
