

Live From 1st Dec 2023

Indian Institute of Welding

(A member society of the International Institute of Welding)

Presents

National Best Welding Engineers' Competition – 2023

(An Associate Event of the International Institute of Welding)

If you have

- Knowledge of Welding Technology, Quality Assurance and safety in welded fabrication.
- Qualification and requisite experience as follows:
 - If you are an engineering graduate with minimum 2 years of experience,
 - If you are a Diploma holder with minimum 5 years of experience, or
 - If you are a science graduate with minimum 10 years of experience, and are
- Well versed with reading engineering drawings, then

Here is your chance to be the **“National Winner”** and get noticed in

- The Indian Welding Journal, IIW-India publication with circulation of 4500+
- The official website of IIW-India
- Get felicitated during the 'National Welding Seminar', win cash award and the certificate

National Best Welding Engineers' Competition - 2023

Steps to Appear

- Register Online <https://iiwindia.in/register/>
>>>
- Set the Password
>>>
- Appear for an on-line screening test
>>>
- Top-10 Shortlisted candidates will appear for online panel interview
>>>
- Be a Winner

Dates during which on-line registration and test can be given:

1st- 14th December 2023 (Both days inclusive)

You can appear at your convenience at any time during this period

**The Indian Institute of Welding
"IIW-INDIA HOUSE", Plot No. 38, Geetanjali Park
200, Kalikapur Main Road, PO: Mukundapur, Kolkata – 700 099, INDIA.

GUIDELINES / INSTRUCTIONS
FOR
NATIONAL BEST WELDING ENGINEERS EXAMINATION SCREENING TEST

- “Online screening” is applicable for candidates with Indian Nationality
- **Competition is FREE and open to all** our members as well as to the non-members. The past winners of the National Level Competitions for the above are not eligible to take part in this competition
- **Eligibility Criteria:**
 1. The minimum qualifications for the candidates for the ‘National Best Welding Engineer’s test are:
 - a) Graduate Engineers with minimum 2 years’ experience preferably in welding technology, OR
 - b) Diploma with minimum 5 years’ experience in welding technology, OR
 - c) Science Graduate with minimum 10 years’ experience in welding and its allied subjects.
 2. Must be capable of reading engineering drawing / blueprints.
 3. Must have basic knowledge of the art of joining of different materials.
 4. Must have knowledge in Inspection, QA & QC, costing, and safety in welding Technology.
- **Online Screening Test Duration: 1st to 14th December 2023 (both days inclusive)**

The purpose of Online screening is to provide ease / convenience for the candidates to appear for the examination.

 - Every user needs to specify Username / email id, which will be used for further communication
 - Ensure that your device / PC has uninterrupted internet connection
 - Register and Login to <https://iiwindia.in/register/> and select for ‘Best Welding Engineer Competition’ (For more information, visit www.iiwindia.in)
 - Fill the registration form carefully with all details, set password and ‘submit’. You will receive verification link on registered email ID.
 - After clicking on verification link, User account will be activated.
 - Test will be conducted in section A and Section B. Please note that **both sections** should be attempted by the candidate **in a single go**.
 - Click on Best Welding Engineer Competition and Appear for **both Section A and Section B**.
 - Section A and B consist of 30 and 20 Multiple choice Questions respectively. (There is no negative marking for wrong answers).
 - Duration of the test Section A and Section B is 15 minutes and 10 minutes respectively.
 - Read the instructions carefully before clicking on “Start Exam” for each section. Click “Next” after every question
 - Once you click on “Start Exam”, a timer will get activated.
 - To answer a question, click on the appropriate option from four/five options provided for each question.
 - Select an answer from the choice provided and click on “Next” for the next question.
 - After answering all the questions in respective section, click on “Submit”. This will end the on-line examination
 - You will get Confirmation email for completion of screening test
 - Based on Number of right answers and time taken to complete test, Top 10 scorers will be called for an Online Panel Interview (Video camera mandatory). Communication will be made via email id or Phone number provided by you.
 - One user can opt for screening exam only once. If it is observed that a candidate has appeared twice, IIW-India reserves the right to cancel his registration and to prevent the candidate from appearing for the written test even if he is one among the top 10 scorers
 - During the test, if you are disconnected from the Internet due to any unavoidable reasons, or if the Test is terminated before you click on “Submit” button, you need to send an email to iiwindia2022@gmail.com to reactivate test.
