The Indian Institute of Welding (IIW-INDIA) is a national level professional body of welding fraternity devoted to the promotion and advancement of welding science & technology. It was established on 22nd April 1966 with its registered office at Kolkata. It has 14 branches and 19 Students' Chapters all over India. It has more than 4500+ members including around 150+ industries as Industrial Corporate Members. IIW-INDIA publishes Indian Welding Journal which has technical research papers of high standards. IIW-INDIA is a member society of the International Institute of Welding (IIW) and has acquired Authorised Nominated Body (ANB) to award internationally accredited professional Diplomas such as IWE, IWT etc., also acquired Authorised Nominated Body for Company Certification (ANBCC) to certify Industries as per ISO 3834. IIW-INDIA also conducts its own welder certification programme, under National Welding Training & Certification Scheme (NWTCS). Directorate General of Training (DGT), under the Ministry of Skill Development & Entrepreneurship (Govt. of India), has empaneled IIW-INDIA as an "Assessing Body" for MES courses under Skill Development Initiative (SDI) Scheme for welding courses under Fabrication Sectors in all States and Union Territories in India. Similarly, IIW-INDIA is also empaneled by NSDC as the "Assessing Body" for Certification of welders under PMKVY schemes under various Sector Skill Councils.

Annual Branch Seminar - 2026, IIW-INDIA, Mumbai Branch

Welding forms the backbone of India's manufacturing, infrastructure, energy sectors and strengthening this capability is essential for realising the vision of Atmanirbhar Bharat. The seminar aims to highlight how advancements in welding technologies, digital manufacturing, automation, and skill development can enhance the nation's self-reliance and global competitiveness. By bringing together experts from industry, academia, and technology providers, the event will explore innovative practices, sustainable solutions, and strategies that can elevate welding quality, productivity, and safety. This platform will also focus on developing a future-ready workforce capable of supporting India's fast-growing industrial landscape.

Topics to be covered:

- *Advancements in Welding Technologies Supporting Self-Reliant Manufacturing*
- *Digital and Smart Welding as Enablers for National Competitiveness*
- *Automation and Robotics to Strengthen Indigenous Fabrication Capabilities*
- *Sustainable Welding Practices for Long-Term Industrial Growth*
- *Metallurgical Considerations for Reliable and High-Integrity Welded Structures*
- *Skill Development Strategies to Build a Self-Reliant Welding Workforce*
- *Quality Standards and Regulatory Framework to Support National Manufacturing Goals*
- *Industry-Academia Collaboration for Innovation and Capability Building*

**G. A. Soman Memorial - Best Welder's Award shall be presented
by the M/s. Weldwell Speciality Pvt. Ltd. Chembur, during the
Annual Branch Seminar 2026**
