

Diamond Jubilee Celebration Year

Symposium on **'Welding for a Greener Tomorrow'**

Concurrently with IMTEX Forming and WELDEXPO 2026

Organised by

The Indian Institute of Welding (IIW-India)

**from 9 am
to 2 pm**

Venue

**Bangalore International Exhibition Centre (BIEC)
10th Mile, Tumkur Road, Bengaluru – 562162**

Eminent Speakers and Panelists will grace the event through

- **2 Keynote Lectures on the Symposium Theme**
- **Panel Discussion 1 on 'Robotics and Automation in Welding'**
Welding is entering a new era with rapid adoption of robotics, intelligent automation, vision systems, AI-based parameter control, and Industry 4.0-enabled monitoring. This panel will highlight the future of automated welding in India and abroad.
- **Panel Discussion 2 on 'Welding Challenges in Energy Transition'**
The global shift toward clean energy-hydrogen, wind, solar, nuclear, LNG, CCUS, and energy storage brings new engineering materials, stricter quality requirements, and highly demanding service conditions. This panel will address critical welding challenges and opportunities during the energy transition.

The participants will have a chance to interact with the industry leaders

About The Indian Institute of Welding

Established in 1966 and headquartered in Kolkata, the Indian Institute of Welding (IIW-India) is the country's leading professional organisation dedicated to the advancement of welding science and technology. With 14 branches, multiple students' chapters, and a membership base of nearly 5,000 including major industries, it plays a vital role in supporting the welding community. IIW-India publishes the quarterly Indian Welding Journal, featuring high-quality technical research papers. The institute represents India in the International arena, as the Responsible Member Society of the International Institute of Welding (IIW), also serves as both ANB and ANBCC of IIW, awarding internationally recognised qualifications such as IWE, IWT etc., and certifying industries to ISO 3834. It also operates NABCB accredited national certification schemes for welders and welding inspectors and collaborates extensively with academia and industry.

About The Symposium Theme

Welding for a Greener Tomorrow focuses on transforming traditional fabrication into a cleaner, more efficient, and environmentally responsible practice. By using energy-efficient inverter-based machines, low-fume consumables, optimized shielding gases, and advanced processes like laser, hybrid, and automated welding, industries can significantly reduce emissions and material waste. Sustainable welding also emphasizes smart monitoring, precision joint design, and quality-first practices to minimize rework, conserve resources, and extend product life. Together, these innovations help manufacturers achieve higher productivity, improved worker safety, and alignment with global sustainability goals—building stronger structures while protecting the planet.

Sponsorship opportunities: ₹ 50,000/- + 18% GST

Delegate Registration Fee (including Executive Lunch pack):

- For IIW-India Members: ₹ 5,000/- + 18% GST
- For Non-Members: ₹ 6,000/- + 18% GST
(₹ 5,000/- + 18% GST for a minimum of 3 Registrations from an Organisation)

Only 75 participants will be allowed on first come first served basis

Plot No. 38, Geetanjali Park,
200, Kalikapur Main Road,
Kolkata – 700099

Dear Sir,

Please Register the following Delegates / Sponsorship for the Symposium on Welding for a Greener Tomorrow, to be held at Bangalore International Exhibition Centre, Bengaluru, on 23rd January 2026.

Name of the Organisation		
Address		
Contact person with designation		
Cell / Tel. No.		
Email		
Delegate Registration / Sponsorship		
No.	Name of the Nominated person	IIW Membership No., if available
1		
2		
3		
4		
Payment Details#		
DD / Cheque / Reference No.	Date	
Amount	Drawn on bank / branch	

Demand Draft / Cheque may please be drawn in favour of "The Indian Institute of Welding"
(GSTIN: 19AAATT5926E1ZC)

For online Transfer:

Beneficiary: **The Indian Institute of Welding**
S/B A/c no.: 018701006962
ICICI Bank Ltd., Chowringhee Branch
IFSC: ICIC0000187

Thanking you,
Yours truly,

Signature with Seal
